Has your schedule changed at all? I would like to put you on the 25th, but I understand you are pretty jammed up. Please let me know if that is doable or when you are available next week. FYI – I still think this is going to be a plea, but the defense is haggling for us to break the case down further, which we're not going to do.

I'm not available the 24th, and I've got district court in Springfield on the 25th and 26th, though it shouldn't be a problem to get out of them if needed. The only issue I'm concerned about is that a US ADA for federal court left me a message asking me about my availability for the week of the 24th as there is a case being scheduled for the week. I replied with my schedule but haven't heard back from him yet to really know what's going on with it.

Are you available Oct. 24, 25, or 26. The judge is looking to move this a couple weeks.

Chris,

I am also available on both of those days (as of now). I will let you know if anything changes as I have one case that is up in the air this week (since you are Superior, you do have priority).

Hi Della and Sonja,

This case is still on for trial on October 12. The defense attorney just finished a trial in New Hampshire and is going to try to get another date. He has also suggested that this will probably be a plea anyway. Right now, however, I think the judge is going to hold his feet to the fire and force the trial or a plea. In that regard, I want to make sure I am ready if this case goes. Are either or both of you available on the 13th or 14th next week. It is likely I would need you on the 13th as this should be a very quick case.

Please let me know.
